

Child Care for Preschool & Half Day Kindergarten:

Hygiene Community School would like to offer child care for children in Preschool and Half Day Kindergarten. We would be open from 7am-6pm Monday thru Friday. We would help get your child to class and pick them up afterwards. We will provide educational activities to further their education, snacks and even nap time. The best part is child care is right here on campus. You can sign up for however many days of care you need for your child. This program will be licensed by The Colorado Department of Human Services and our staff will be qualified in Early Childhood Education. The children will also have the opportunity to buy a hot lunch or bring lunch from home. All of this is covered by the \$24 a day tuition.

If you are interested in receiving information on this exciting new program, please fill out the form and return it with your registration packet. I will send home registration forms for child care early 2015 and you will know your child is signed up for child care by April 2015. Care will start the first day of school August 2015. I look forward to meeting you and working along side your child.

If you have any questions please contact Kristin Davis at davis_kristin@svvsd.org or 720-652-8021 ext. 22783
