

## **2023-2024 Hygiene Elementary School Directory**

The Hygiene Directory is useful for parents who want to connect with other families for carpooling, play dates, or party invitations. The directory is grade specific, and **only families who submit signed forms will receive a copy of their child's grade-level directory**. The directory will be sent via non-sharable Google Sheet.

If you would like to be included and receive a copy of the directory, please fill out the following information and return it by **Monday, September 11<sup>th</sup>**. Families with multiple students need only submit one form.

**NOTE:** A new form must be submitted each year to ensure information accuracy and consent to continue being included in the directory.

***Please print clearly to help minimize data entry errors. Thank you!***
