What is the Hygiene Elementary Jogathon?

What it is:

The Jogathon is Hygiene Elementary School's big annual fundraiser organized by the Parent Teacher Organization (PTO). The PTO invests the proceeds directly into the school to pay for bussing for field trips, to provide \$400 classroom supply budget for every teacher, to purchase technology for student use in the classroom, and for PTO-sponsored activities throughout the year such as Fall Carnival, STEAM Fair, Spelling Bee, Hawk Air, Talent Show and much, much more!

This year, our goal is to raise \$30,000!

How it works:

Students go out into the community and collect donations from friends, family and neighbors. Donations can be collected in the provided manila envelope sent home from school, or donations can be made online at:

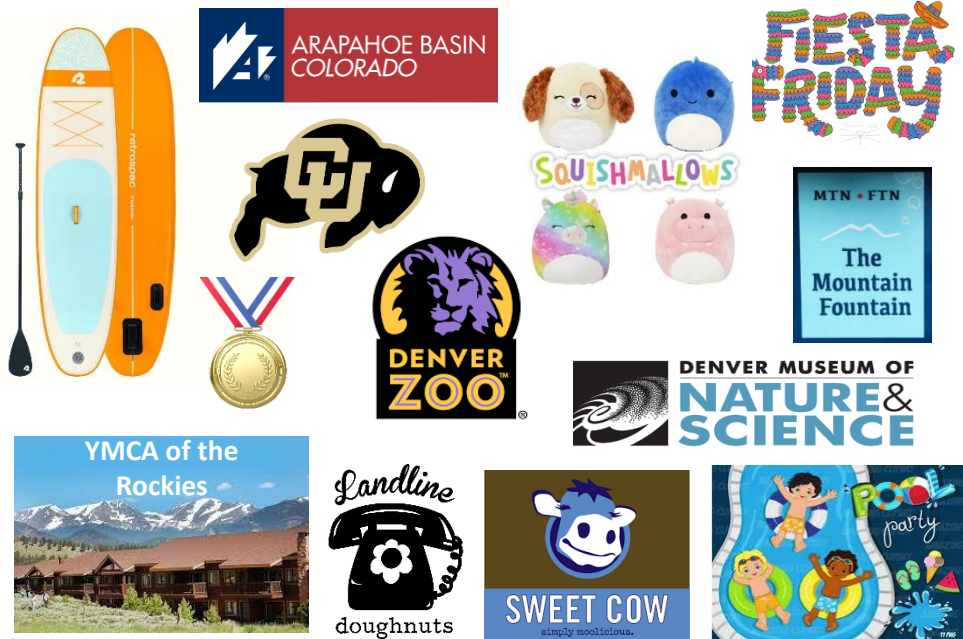

<https://donorbox.org/hygiene-jogathon-2023>

All donations should be turned in by 4:00 pm on Thursday September 28th.

Then, on Thursday, September 28th, all students participate in a fun run at the school called the Jogathon. Students run laps with their classmates while parents and staff cheer them on. All students receive a race bib, Jogathon souvenir and healthy snack on the day of the event.

Families: Please join us at the Jogathon running event on the morning of Thursday, September 28th to cheer on your student! Look for a detailed running schedule in your next Friday folder.

*****If we meet our school goal of \$30,000, we will have a Principal vs Staff Pie Eating Contest at the Prize Assembly on October 6th!*****
